## Financial Analyst / Controller

HARDI INTERNATIONAL A/S, the leading manufacturer of agricultural sprayers, is seeking a Financial Analyst / Controller for the Financial Analysis Department. The position is placed at the HARDI Group headquarters in Taastrup, Denmark.

### Essential Responsibilities and Tasks:

- Assist in maintaining, monitoring, supporting and enhancing our Business Intelligence tools.
- Assist in financial reporting (monthly reporting & year-end reporting).
- Financial controlling of subsidiaries.
- Analyze end-user BI requirements, model data, develop reports and deliver BI solutions to meet business requirements.
- Proactively identify opportunities to improve business processes and the use of BI tools and technologies.
- Develop and maintain systems and end-user documentation.
- Assist and train end-users in obtaining the data they need in their areas.
- Analysis for the management.
- Ad-hoc reporting.

### The ideal candidate will:

- Have a master degree in Finance, Economics, Accounting or an IT degree combined with financial educational background. Relevant working experience will be an advantage but is not a requirement.
- Have very strong IT skills.
- Possess strong analytical, communication and problem-solving skills.
- Adapt quickly: having a short learning curve and willingness to take on new challenges and responsibilities.
- Be a "Hands-on" person which is able to work independently.
- Be fluent in both English and minimum one of the Scandinavian (Danish, Swedish or Norwegian) languages.

### We will offer you:

- A challenging position in an international company where you will work with many different departments in Denmark and our subsidiaries abroad.
- A very thorough introduction and training on the job in our software tools (Oracle (Hyperion) Essbase for BI and Enterprise for consolidation). We are currently implementing Microsoft Dynamics AX2012 as a new ERP system for the Group world-wide.
- Career opportunities in an international company.
- Competitive remuneration including a company paid pension scheme.
- Flexible working hours.
